NO STRESS

When people say:" you are a bastard"

Set on you, you got to keep your

CONTROL

Do not go into their game,

ignore the speak of gossip

NO STRESS

When they speak for you,

thinkin that everything's under

CONTROL

Don't forget (that)

you are the master of your fate

Can't hear your gossip

I go ahead without lookin' back

Can't hear your gossip

I go ahead without lookin' back

NO STRESS

When they judge you however

your actions they were good or bad

da-Self

CONTROL

At first, show respect for yourself and others

NO STRESS

Soon they will eat your brain,

Like dogs shot up with L.S.D.

CONTROL

Deaf to their bullshit, Keep on making your own way

Can't hear your gossip

I go ahead without lookin' back

Can't hear your gossip

I go ahead without lookin' back

NO STRESS

They listen, talk, judge

now I'm losin my self

CONTROL

Nothing happens, nothing changes

In their small lives

NO STRESS

No more finger pointed at me
Now I'm losin
CONTROL
The right to live my life
as the freeman
I go, I go, I shoot at the gossip
They are my targets
Coz I'm free
OOOOOOOOOOOO

ONE
Bullet in your head
Today's news speak about you (too)

TWO
Suffocate with your own hate
Or you will test my fist for free

THREE
Don't try to spoil my sky
it's such an important thing

FOUR
Me to live my secrets
I don't wanna live for glory
I don't wanna live for glory
I don't wanna live for glory

A glory for a life
I don't want it
My whole life for glory
Hate or Glory ?
A glory for a life
I don't want it

without lookin' back
I go ahead
With no turning back
I go ahead

Can't hear your gossip
I go ahead without lookin' back
Can't hear your gossip
I can't hear
