(feat. Keith Sweat)

Daddy do it like you use to do it
Aight man
10.. 9.. 8.. 7.. 6 5 4 3 2 1
Excuse me girl (oh yeah boy)
But I don't mean to front you for words
But your big brown eyes and those pretty round thighs
Has gotten me wanting you (oh girl)
(Do you want me?)
Now I know this is our first time meeting
Wanna know (oh girl)
But I've been thinking for awhile (I've been thinking)
Cause I love your pretty smile
That it could be (ohhh) all about us (all about us)
(oh baby)
Can it be (can this be)
Can it be (oh can it be)
All about me and you (all about you)
Can it be (can it be) (oh can it be)
All about me and you (all about us)
Now I know that it hasn't been long, oh baby girl (I've
been known)
See I can see in your eyes (i can see in) oh yes i can
And I don't care about your past girl
I just want to make it last
I'm kinda feeling (girl) your style
Oh girl, cause I love your pretty lips
Love your sexy hips
Love the way you look
Girl you got me shook
Love the way you smile
Girl you drive me wild
Love the way you walk
Love the way you talk
I've been thinking (ohhhhh boy)
It could be me and you and me
Forever (forever)
Oh yeah (oh yeah)
Oh yeah baby (oh yeah)
Can it be (can it be boy)
Can it be (can it be)

All about me and you (all about me and you)
Not for one night baby
Can it be (can it be)
Forever and ever girl

All about me and you (all about you)
I'm not talkin girl
Oh yeah yeah yeah (ohhhhhhhh boy) yeah yeah
Just one night of love (one night of love) (ohhhhh)
What I'm talking bout (what are you talking bout?)
Someone who'll be there (be there for me)
Will you be?
Can it be (can it be baby)
Can it be (can it be)
Can it be
(ohhhhhhhh...)
Listen girl
Tell me boy
See we were at th club (club)
You were at the bar (I was at the bar)
I hit on you, you jump into my car (no car)
Come to my crib, turned down the lights
Oh your body body body sooo good tight
Take out you benz girl thats my thang
Was i sure that night we began to do our thang
We began to do our thang
We began to do our thang
We began to do our thang
We began to do our thang

I met you at the club tonight boy (met me at the club

We jump into your benzo yeah (jump into my benzo)
You took me to your crib boy (to my crib baby)
