So give up
You might've given her something good But she
doesn't mind
So give up
It's like a headache coming down
Don't incite
So give up
I said that I was working overtime to unwind
So let it go
I'm coming back and I'm on the track every
time

Cuz I am, I have been on fire lately
Cuz you know, you know my desire saved me

(Now, you can figure that out)
(Talking with you in that picture)
(Aha, you can figure that out)

She said that I was taking overtime to unwind
She can't let it go
So give it up
I will never stop, don't you know?

Cuz I am, I have been on fire lately
Cuz you know, you know my desire saved me x2

Cuz I am, I have been on fire lately
Cuz you know, you know my desire saved me
