Hey there people here I come

Step the side, Donkeyboys ain't what you want

But sometimes, I need somebody who can make me  
feel

Alright,

And shades me from the streetlights

I'm breaking up, I need someone who needs somebody  
now

People change, change because of who I am

If you don't, than you and I won't get along

But sometimes, I need somebody who can make me  
feel

Alright,

And shades me from the streetlights

I'm breaking up, I need someone who needs somebody  
now

I need somebody who can make me feel alright,

And shades me from the streetlights.

I'm breaking up, I need someone who needs somebody  
now

All these thoughts come too my head

But sometimes, I need somebody who can make me  
feel

Alright,

And shades me from the streetlights

I'm breaking up, I need someone who needs somebody  
now

I need somebody who can make me feel alright,

And shades me from the streetlights

I'm breaking up, I need someone who needs somebody  
now

Make me feel alright.
