I'll walk in the rain by your side
I'll cling to the warmth of your hands
I'll do anything to keep you satisfied
I'll love you more than anybody can

CHORUS:

And the wind will whisper your name to me
Little birds will sing along in time
Leaves will bow down when you walk by
And morning bells will chime.

I'll be there when you're feelin' down
To kiss away the tears if you cry
I'll share with you all the happiness I've found
A reflection of the love in your eyes.

CHORUS:

And I'll sing you the songs of the rainbow
A whisper of the joy that is mine
And leaves will bow down when you walk by
And morning bells will chime
I'll walk in the rain by your side
I'll cling to the warmth of your tiny hands
I'll do anything to help you understand
An' I'll love you more than anybody can

CHORUS:

And the wind will whisper your name to me
Little birds will sing along in time
Leaves will bow down when you walk by
And morning bells will chime.
Morning bells will chime
