(Dice & K9)

(Dice)

Juz' call me first born, you're my first love,
You're my 1st kiss from up above.
And I don't care if you don't give love back
Coz' n my heart is where your ass is at.
I love your eyes , your nose & your tender lips,
Wanna kiss your neck, your shoulders to your finger
tips.
I go crazy when you shake those sexy hips.
Baby girl you're the 1 I can't resist.
You know I love you from the very start, I don't care if
you break my heart.
I'm the man & I'm here for you, believe me coz' my love
is true.

CHORUS

(Sashi)

Itsumo kokoro wei hoshi itstuka
Dare katu mata koi nei utchitimu
Itsumo kokoro nei eiro itsumo
Anata dake no basho ga aru kara

(K9)

You wanna get down with k-n-i-n-e, make sure that's
pure l-o-v-e
Never talk about the i-c-e coz' I only got my h-e-a-r-t for
y-o-u
I can't pay the bills for dinner, I juz' give them my IOU
For sure, I'm not after f-u-c-k, got no b-a-d intentions
don't wanna play girl,
Maybe we might spot a UFO, wait, that's not part of the
rhyme juz' felt like sayin' so
You gotta know that I love from the start till f-o-r-e-v-e-r.

Repeat chorus

(Dice)

Baby girl be my first lady, be the mom of my first baby
You didn't like me when you first saw me, I'll be gentle
I'll do it slowly.

(K9)

Girl, I think it's better if you was with me, I got doe coz' I
juz' won the spelling bee
For you, I got all the t-i-m-e Ask mummies to pass but
I'm not so sure
Juz' doin' my on thing, shits more expensive than your
fancy gold rings,
I don't mean dissin' coz' I gots to go there, mummies
don't care,
All for them ladies, even chicks with nose rings.

Repeat chorus twice
