I just had a dream that you were far away  
And that someone else was in your arms today  
Though I know its just a dream  
Still my fear is so extreme  
Coz I know that dreams could sometimes be so true  
And Ill be blue

Then I told myself  
That I will stay the same  
Even if you hurt me, I will take the blame  
You are all Im livin for  
I would love you even more  
I would keep the pain inside my door

~CHORUS~

Its enough for me that I have come to love you, I see  
Because the heart I have could only want you  
I just want you to remember  
Even if it takes forever

I would wait until the world is through  
When all thats left is  
Only me and you

Yes I told myself Id always stay the same  
Even if you hurt me  
I would take the pain  
You are all Im livin for  
I would love you even more  
I would keep the pain inside my door

~CHORUS~

Ill wait for you  
You know its true  
Until I can now be with you  
When all thats left  
Is only me and you
