Words and Music by Donna Fargo

Funny face, I love you
Funny face, I need you
My whole world's wrapped up in you

When the road I walk seems all uphill
And the colors in my rainbow turn blue
You kiss the tears away
You smile at me and say
"Funny face (funny face) I love you"

Funny face, I love you
Funny face, I need you
These are the sweetest words I've ever heard
Funny face, don't leave me
Funny face, believe me
My whole world's wrapped up in you

And when I hurt your feelings as I sometimes do
And I say those mean things that we know are not true
You forgive my childish way
You hold me close and say
"Funny face (funny face) I love you"

Funny face, I love you
Funny face, I need you
These are the sweetest words I've ever heard
Funny face, don't leave me
Funny face, believe me
My whole world's wrapped up in you

Funny face, I love you
Funny face, I need you

FADE

These are the sweetest words I've ever heard
Funny face, don't leave me
