The sky was blue, high above  
The moon was new, so was love  
This eager heart of mine is sayin'  
Lover come back to me  
You came at last  
Love had its day  
That day is past  
You've gone away  
This lonely heart of mine is sayin'  
Lover, please, come back to me  
I remember every little thing  
You used to do  
I'm so lonely  
Every road I walk along  
I walk along with you  
No wonder I'm so lonely  
The sky was blue  
The night was cold  
The moon was new  
But love was so  
And while I'm waiting here  
This heart of mine is sayin'  
Lover come back to me  
The sky was blue  
The night was cold  
The moon was new  
But love was so

And while I'm waiting here  
This heart of mine is sayin'  
Lover come back to me  
You came at last  
Love had its day  
That day is past  
You've gone away  
This lonely heart of mine is sayin'  
Lover come back to me  
I remember every little thing  
You used to do  
I'm so lonely  
Every road I walk along

I walk along with you  
No wonder I'm so lonely  
The sky was blue  
The night was cold  
The moon was new  
But love was so  
And while I'm waiting here  
This heart of mine is sayin'  
Oh oh oh oh lover  
Oh oh oh oh lover  
Lover come back to me  
Oh oh oh oh lover  
Oh oh oh oh lover  
Lover come back to me!
