Feels like I'm standing in a timeless dream
Of light mists of pale amber rose
Feels like I'm lost in a deep cloud of heavenly scent
Touching discovering you

Those days of warm rains come rushing back to me
Miles of windless summer night air
Secret moments shared in the heat of the afternoon
Out of the stillness soft spoken words
Say say it again

CHORUS:

I love you always forever
Near or far close and together
Everywhere I will be with you
Everything I will do for you

I love you always forever
Near or far close and together
Everywhere I will be with you
Everything I will do for you

You've got the most un-belivable blue eyes I've ever
seen
You've got me almost melting away
As we lay there under a blue sky with pure white stars
Exotic sweetness a magical time
Say say it again

I love you always forever
Near or far close and together
Everywhere I will be with you
Everything I will do for you

I love you always forever
Near or far close and together
Everywhere I will be with you
Everything I will do for you

Say you'll love love me forever
Never stop never whatever

Near and far and always and everywhere and
everything
Say you'll love love me forever
Never stop never whatever
Near and far and always and everywhere and
everything

Say you'll love love me forever
Never stop never whatever
Near and far and always and everywhere and
everything
Say you'll love love me forever
Never stop never whatever
Near and far and always and everywhere and
everything

I love you always forever
Near or far close and together
Everywhere I will be with you
Everything I will do for you

I love you always forever
Near or far close and together
Everywhere I will be with you
Everything I will do for you

I love you always forever
Near or far close and together
Everywhere I will be with you
Everything I will do for you
