Couldn't stand all the pain, you caused, love was gone
I know you didn't mean to hurt me, but you were cold ,
like a stone
I didn't wanna see, a day without you

Chorus: and I'll move on, I'll never see you again
I'll be strong, I'm gonna ride the wind
The rain is gone, and the sun is my friend
and I'll remember you

Everyone kept telling me, to find another heart
Nobody knows, how long and how hard
I tried
and I believed in you

Chorus
