I'm going home
Been a million miles
Seen a million things
And I'm getting tired
I'm dreaming now
Of the setting sun
Over home.

When my work is done
I'll leave behind
All my pain
You'll remember me
When it rains
But don't be sad
We'll meet again.

And we will find
The rainbows end
The hands of time
Are rolling on
Like a ship on the sea alone.

When I reach
For His hand
He will take me
To a better land
I'm going home
We'll meet again
And we will find the rainbows end...
