It's a cold world, sometimes I feel all alone
It's a long road that I'm rollin' on
And I wonder, if I'm on the path I should have taken
And I'm still here, even though my heart is breakin'

Someday I'm gonna find what I'm lookin' for
Someday I'll find my place in this world
Someday I'm gonna know why I'm here
When I find what I'm lookin' for

It's a big old world and sometimes I lose my way
But I keep searchin' and I get closer every day
I can't look back and I can't go back in time
I gotta move on and leave the past behind

Someday I'm gonna find what I'm lookin' for
Someday I'll find my place in this world
Someday I'm gonna know why I'm here
When I find what I'm lookin' for

Someday I'm gonna find what I'm lookin' for
Someday I'll find my place in this world
Someday I'm gonna know why I'm here
When I find what I'm lookin' for
