we were strangers starting out on a journey
never dreaming what we'd have to go through
now here we are, and I'm suddenly standing
at the beginning with you

no one told me I was going to find you
unexpected what you did to my heart
when I lost hope, you were there to remind me
this is the start

and life is a road and I wanna keep going
love is a river I wanna keep flowing
life is a road, now and forever
wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
in the end I wanna be standing
at the beginning with you

we were strangers on a crazy adventure
never dreaming how our dreams would come true
now here we stand, unafraid of the future
at the beginning with you

and life a road and I wanna keep going
love is a river I wanna keep flowing
life is a road, now and forever
wonderful journey

I'll be there when the world stops turning
I'll be there when the storm is through
in the end I wanna be standing
at the beginning with you

knew there was somebody somewhere
a new love in the dark
now I know my dream will live on
I've been waiting so long
nothing's gonna tear us apart

and life is a road and I wanna keep going
love is a river I wanna keep flowing

life is a road, now and forever
wonderful journey
I'll be there when the world stops turning
I'll be there when the storm is through
in the end I wanna be standing
at the beginning with you

life is a road and I wanna keep going
love is a river, I wanna keep flowing
starting out on a journey
life is a road and I wanna keep going
love is a river, I wanna keep flowing
at the end I wanna be standing
at the beginning with you
