Feels like I'm standing in a timeless dream  
Of light mists, of pale amber rose  
Feels like I'm lost in a deep cloud of heavenly scent  
Touching, discovering you

Those days of warm rains come rushing back to me  
Miles of windless summer nights  
Secret moments shared within the heat of the  
afternoon  
Out of the stillness, soft spoken words

Say it, say it again  
I love you always forever  
Near or far, closer together  
Everywhere I will be with you  
Everything I will do for you

Say it, say it again  
I love you always forever  
Near or far, closer together  
Everywhere I will be with you  
Everything I will do for you

You've got  
The most unbelievable blue eyes I've ever seen  
You've got  
Me almost melting away

As we lay there  
Under a blue sky with pure white stars  
Exotic sweetness  
A magical time

Say it, say it again  
I love you always forever  
Near or far, closer together  
Everywhere I will be with you  
Everything I will do for you

Say it, say it again

I love you always forever

Near or far, closer together  
Everywhere I will be with you  
Everything I will do for you

Say you'll love and love me forever  
Never stop, never whatever  
Near and far and always everywhere and everything

Say you'll love and love me forever  
Never stop, never whatever  
Near and far and always everywhere and everything

Say you'll love and love me forever  
Never stop, never whatever  
Near and far and always everywhere and everything

Say you'll love and love me forever  
Never stop, never whatever  
Near and far and always everywhere and everything

I love you always forever  
Near or far, closer together  
Everywhere I will be with you  
Everything I will do for you

I love you always forever  
Near or far, closer together  
Everywhere I will be with you  
Everything I will do for you

I love you always forever  
Near or far, closer together  
Everywhere I will be with you  
Everything I will do for you

I love you always forever  
Near or far, closer together
