(Verse 1)

Nobody ever could love you
'Cos you were never within easy reach
But when I set my eyes on you
I knew that you were the one for me
And I was never shy, too shy
With you baby
I just took my time
To get close to you
Reached inside
To open your heart face to face
I just can't wait for you to

(Chorus)

Kiss me baby
Drown me with your affection
Touch me
Wrap me up in your arms
'Cos you really move me
Kiss me baby
Drown me with your affection
Touch me
Wrap me up in your arms
'Cos you really move me

(Verse 2)

I've never felt such emotion
Never needed to cherish someone
But now I've found you
I think you feel it too
Let me show you heaven on Earth
And I will always be your guide
To perfection
Doubt no more
You gotta let love take a hold
Let me take your hand
And lead you into my garden of love

(Chorus)

Kiss me baby
Drown me with your affection
Touch me

Wrap me up in your arms
'Cos you really move me
Kiss me baby
Drown me with your affection
Touch me
Wrap me up in your arms
'Cos you really move my soul

(Bridge)
How can I retain my self control?
Don't you know I'm crazy about you baby?
So, come on, and drown me in your love and affection
Affection
Ooh Ooh

(Chorus)
Kiss me baby
Drown me with your affection
Touch me
Wrap me up in your arms
'Cos you really move me
Kiss me baby
Drown me with you affection
Touch me
Wrap me up in you arms
'Cos you really move me

Come alittle closer to me, to me
Come alittle closer to me, baby
Come alittle closer, closer, closer, closer
Yeah...
Kiss me baby
Ooh...
