Yeah

I think of me like I think about you  
Give me a sign, show me you care  
Am I so far away in your thoughts not there  
Forget what you told me? What didn't get said  
It's not much to ask come down off your cloud  
And with your feet on the ground say something out  
loud

Without love, I mean nothin' to you  
Without love, broken in two  
(Love)  
Without love, give me some value, some worth  
Without love, no life left on earth  
(Love)

Blame it on work, buy me some flowers  
Empty gestures wile away the hours  
(Yeeeah)  
Promises, promises sealed with a kiss  
Please acknowledge it's me that you miss  
(Yeeeah)  
No message received, no excuses believed, you hurt  
me so much  
I'll never recover  
Takes time to discover a love like no other

Without love, I mean nothin' to you  
Without love, broken in two  
(Love)  
Without love, give me some value, some worth  
Without love, no life left on earth  
(Love)

Without love, I mean nothin' to you  
Without love  
Without love, I mean nothin' to you  
Without love

I mean nothin', I mean nothin'  
I mean nothin', nothin' to you

And I'm broken, I'm broken, broken in two  
I mean nothin'  
Yeah
