D: We were strangers, starting out on a journey  
Never dreaming, what we'd have to go through  
Now here we are and I'm suddenly standing  
At the beginning with you

R: No one told me I was going to find you  
Unexpected, what you did to my heart  
When I lost hope, you were there to remind me  
This is the start

Chorus (D & R)  
And life is a road that I want to keep going  
Love is a river, I want to keep flowing  
Life is a road, now and forever, wonderful journey  
I'll be there when the world stops turning  
I'll be there when the storm is through  
In the end I wanna be standing  
At the beginning with you

D: We were strangers, on a crazy adventure  
R: Never dreaming, how our dreams would come true  
D & R: Now here we stand, unafraid of the future  
At the beginning with you

Back to Chorus

Bridge:  
D & R: Knew there was somebody, somewhere  
A new love in the dark  
Now I know my dream will live on  
I've been waiting so long  
Nothing is going to tear us apart

Chorus

In the end I want to be standing  
At the beginning with you...
