Everybody, everybody
Everybody, everybody
Everybody, everybody
Everybody, everybody

Everybody, everybody
Everybody, everybody
Everybody, everybody
Everybody, everybody

Everybody, everybody
Everybody, everybody

You won't belong to me, I let you down
I walk around and see your night skyline
I feel the light but you don't want to stay
So lonely now, just let me off downtown

Sad and free, sad and free
Sad and free, sad and free

When I said, it was over you aimed at my heart
Won't be long for I'm leavin', all my love
But I'll feel it forever, no sound's in my life
You can call that no livin', on my own so free

Everybody, everybody
Everybody, everybody
Everybody, everybody
Everybody, everybody

Everybody, everybody
Everybody, everybody
Everybody, everybody
Everybody, everybody

You took me easy and then let me go
I never was, you see, that cheatin' kind
You feel all right, you never looked for me
So long it's time, I've gotta get on by

Sad and free, sad and free

Sad and free, sad and free

When I said, it was over you aimed at my heart
Won't be long for I'm leavin', all my love
But I'll feel it forever, no sound's in my life
You can call that no livin' on my own, so free

Everybody, everybody
Everybody, everybody
Everybody, everybody
Everybody, everybody

Everybody, everybody
Everybody, everybody
Everybody, everybody
Everybody, everybody

Everybody, oh, everybody
Oh, everybody, everybody, everybody

When I said, it was over you aimed at my heart
Won't be long for I'm leavin', all my love
But I'll feel it forever, no sound's in my life
You can call that no livin', on my own so free

Everybody, everybody
Everybody, everybody
Everybody, everybody
