One, two, three, four  
Tell me what you want and nothing more, more, more

I don't know, I don't know  
I don't know anybody else  
I don't know, I don't know  
I don't know anybody else

I don't know, I don't know  
I don't know anybody else  
I don't know, I don't know  
I don't know anybody else

I'll tell you what I know so well  
Your love is standing tall and swell  
Why come on out and hear him say  
Gonna get you now, gonna get to you  
We're livin' by this inspiration

Come on, come on, come on, come on, come on  
You, nobody else  
Come on, come on, come on, come on, come on  
Just walk this way  
Come on, come on, come on, come on, come on  
You, nobody else

I wanna take you so close to you  
Just gotta touch me, just gotta touch me, touch me  
Just gotta touch me, just gotta touch me, touch me

Can't you say it to my eyes, to my face?  
There's no need to wait  
Gonna get you now, gonna get to you  
We're livin' by this inspiration

Come on, come on, come on, come on, come on  
You, nobody else  
Come on, come on, come on, come on, come on  
Just walk this way  
Come on, come on, come on, come on, come on  
You, nobody else

I wanna take you so close to you  
Just gotta touch me, just gotta touch me, touch me  
Just gotta touch me, just gotta touch me, touch me

Just gotta touch me, touch me  
Just gotta touch me, touch me  
Touch me, touch me, touch me, touch me  
Just gotta touch me, touch me

I don't know, I don't know  
I don't know anybody else  
I don't know, I don't know  
I don't know anybody else

I don't know, I don't know  
I don't know anybody else  
I don't know, I don't know  
I don't know anybody else

Come on, come on, come on, come on  
Come on, come on, come on  
Come on, come on, come on, come on  
Come on, come on, come on
