Everyone's a big bright star  
I know i am, i know you are  
Everyone's a big bright star  
Everyone's a big bright star  
Everyone's a big bright star

I see you run for love  
I see you fight for love  
You even beg for love  
You never get real love

Everyone's a big bright star  
The shining lights inside of you  
I know it's true, i know it's true  
Everyone's a big bright star  
Everyone's a big bright star  
Everyone's a big bright star

You need to run for love  
You need to fight for love  
Don't ever beg for love  
One day you'll find real love

Everyone's a big bright star  
And if you cannot see your light  
He's not the one who's right  
Everyone's a big bright star  
I know i am, i know you are  
Everyone's a big bright star  
Baby, you're a big bright star  
Baby, you're a big bright star

I see you run for love  
I see you fight for love  
You even beg for love  
You never get real love

Everyone's a big bright star  
I know i am, i know you are  
Everyone's a big bright star  
Everyone's a big bright star  
Everyone's a big bright star

Everyone's a big bright star  
Everyone's a big bright star  
Everyone's a big bright star
