Blue heart, red heart, white heart, black heart
Blue heart, red heart, white heart, blue heart
Blue heart, red heart, blue heart, blue heart
Blue heart, blue heart, blue heart, blue heart

Give me back my smile
I have been your friend for a while
Give me back my trust
And I really thought
It would last

Blue heart, red heart, white heart, black heart
Blue heart, red heart, white heart, blue heart
Blue heart, red heart, blue heart, blue heart
Blue heart, blue heart, blue heart, blue heart

Give me back my time
I've been singing your song for too long
Give me back my life
'Cause you're not the one
I'm dreaming of

I'm not your friend anymore
I'm not your friend anymore

Blue heart, red heart, white heart, black heart
Blue heart, red heart, white heart, blue heart
Blue heart, red heart, blue heart, blue heart
Blue heart, blue heart, blue heart, blue heart

Blue heart, blue heart, blue heart, blue heart
