I'm the blue of the pool
And the water is me
I'm the speed of my car
That is taking me far

Sometimes it makes me happy
To be me
Sometimes it makes me happy
Just to be
Do you know what i mean?

Sometimes it makes me happy
To be me
Sometimes it makes me happy
Just to be

I'm the blue of the pool
And the water is me
I'm the speed of my car
That is taking me far

I'm the smoke i inhale
I'm the air that i breathe
I'm the red of a leaf
On a turning tree (???)

I'm the pace of the train
Taking me away
I'm the lights of the night
In the city shining bright

I'm the blue of the pool
And the water is me
I'm the speed of my car
That is taking me far

Sometimes it makes me happy
To be me
Sometimes it makes me happy
Just to be

Tiny moments of bliss

.....
I'm the blue of the pool
And the water is me
I'm the speed of my car
That is taking me far

I'm the blue of the pool
And the water is me
I'm the speed of my car
That is taking me far

I'm the blue of the pool
And the water is me
I'm the speed of my car
That is taking me far
