Don't want to be me  
Don't want to be you  
Don't want to be blind  
I don't want to see

Don't want to be bright  
Don't want to be blue  
Don't want to be high  
Don't want to be low

I don't want to hide  
I don't want to show  
I don't want to live  
You don't want to die

I just want to drift off to sleep  
I close my mind  
I'm falling  
Deep deep into a dreamless sleep  
I'm losing myself  
I'm falling  
Deep deep into an endless sleep  
I'm falling deeper and deeper  
I'm the devotional sleeper  
I'm falling deeper and deeper  
I'm the devotional sleeper  
I'm the devotional sleeper  
I'm the devotional sleeper  
I'm the devotional sleeper
