I'm going to dream in black
I want your fresh love back
The way you look at me has changed
Why don't you see
I want your fresh love back - I'm going to dream in
black

I'm going to dream in black
I want your kisses back
The way you used to touch my skin
Oh I miss it so much
I want your kisses back - I'm going to dream in black

I'm going to dream in black
I want your sweet talk back
The foolish words you said softly
Meant only for me
I want your sweet talk back - I'm going to dream in
black

I'm going to dream in blue
You feel the way I do
You miss my kisses, too
Now I know we will start anew
I'm going to dream in blue - and when our love comes
back
I'll never dream in black
I'll never dream in black
