Life would go on  
Would go on without you  
Life would go on  
Would go on without you

But what a bore it would be  
Without you by my side  
Once i had chance to see  
What i saw i didn't like

You're my favourite human  
You're my favourite human

I know it's not new  
It's not cruel  
It's not .....  
I know it's not new  
It's not cruel  
It's not .....

I know the sun would rise  
Without you every day  
But i'd be blind to its smile  
That's what you have to say

Life would go on  
Would go on  
Would go on  
Life would go on  
Would go on  
Would go on

You're my favourite human  
You're my favourite human

I know it's not new  
It's not cruel  
It's not .....  
I know it's not new  
It's not cruel  
It's not .....

Life would go on  
Would go on  
Would go on  
Life would go on  
Would go on  
Would go on  
Life would go on  
Would go on  
Would go on  
Life would go on  
Would go on  
Would go on

You're my favourite human  
You're my favourite human
