There used to be such a happy air  
All around her  
There used to be such a lively air  
Surrounding her  
A fountain of love, that's what she was for me  
I thought she'd be - eternally

There used to be a happy melody  
Inside of her  
There used to be a lovely melody  
It was in the air  
A fountain of love, that's what she was for me  
What went wrong - where is her song?

There used to be such a happy glow  
It was in her eyes  
There used to be such a golden glow  
It always showed  
A fountain of love, that's what she was for me  
Where did it go - I don't know
