You don't know
How much I miss you
You don't know
I hidden kissed you
Under water in a dream last night
You don't know

I don't know
Why she had to go
I don't know
Oh she miss me
Would she kiss a stranger for a change
I don't know

You don't know
All my spirit is love
You don't know
I even had to cry
When I kissed you goodbye how I cried
You don't know

I don't know
Cause she never shows
I don't know
Does she have a cry
When she's alone at night does she cry
I don't know

Make my heart happy
And show me what you feel for me
Make my heart happy
And let your love be wild and free
Make my heart happy
Make my heart happy

Make my heart happy
And show me what you feel for me
Make my heart happy
And let your love be wild and free
Make my heart happy
Make my heart happy

Make my heart happy
Make my heart happy
