I am watching you
You're in a deep sleep

What do you dream about
What makes you jump and shout
Guess you will always be
A mystery to me
Maybe you'll always be
My favourite mystery

Do you like the life you're living
Do you like the love you're giving
Does your heart beat
one beat more

When you kiss my sweet
and tender lips

I am watching you
You're in a deep sleep
I know there's a secret
You will always keep
Guess you will always be
A mystery to me
Maybe you'll always be
My favourite mystery

Do you like the life you're living
Do you like the love you're giving
Do you really feel complete

Am I the one you long to meet

Do you like the life you're living
Do you like the love you're giving
Does your heart beat
one beat more

When you kiss me sweet
and tender lips

Maybe you'll always be my

favourite mystery
