I don't have
A favourite colour
I don't now
My favourite flower
I don't have
I don't have
But i have got

I haven't seen
My palmleaf yet
The stars above
Don't hold a secret
I haven't seen
I haven't seen
But i have got
I don't believe
In lucky numbers
I still don't know
Is there a got or not
Any kind of god or not
Is there a got or not
Any kind of god or not
I've got
My melancholy man
My melancholy man
He makes me
As happy as he can
And i know how
To make him smile again
My melancholy man

I make him
As happy as i can
And he knows how
To make me smile again
My melancholy man
My melancholy man
My melancholy man
