Why do you ask - if you don't want to know  
Why do you ask - if you don't want to know  
How I am, how I feel  
You should know by now that I'm ready to show  
Please don't ask - you don't want to know  
Please don't ask - you don't want to know

Why do you talk - you don't want to tell  
Why do you talk - you don't want to tell  
What is really on your mind  
The world's already full of words and lies  
Please don't ask - you don't want to tell  
Please don't ask - you don't want to tell
