Voice of one crying
Angel of joy
Angel of joy
Angel of life

Tears were holy water
Crying for us all
Every son and every daughter
Rise up before we fall

Darfur, Darfur
The grace of god be with you
Waiting for arms of mercy
To surround us all

Voice of one crying
Angel of joy
Angel of joy
Angel of life

Open the doors, heaven
Bring down the reign
Bring down the reign
Bring down the reign
Let me build the well again

One voice like a choir
Singing sacred words
Break the wall of resistance
Till it bends the universe

Darfur, Darfur
The grace of God be with you
Waiting for arms of mercy
To surround us all

Voice of one crying
Angel of joy
Angel of joy
Angel of life

Open the doors, heaven

Bring down the reign
Bring down the reign
Bring down the reign
Let me build the well again
(Let me build the well again)

To the broken heart
Of the wounded child
Covered with scars
Crying out loud

What will it take?
Open your heart
Before his last breath
Before he departs

Bring down the reign
Bring down the reign
Bring down the reign

I said bring down the reign
Bring down the reign
Bring down the reign

Everybody, everybody, everybody
Everybody, everybody
