Can't get to sleep tonight
Can't get to sleep tonight

Can't get to sleep tonight
No matter how I try
Gotta get you off of my mind
Can't get to sleep tonight

Spoke to you today
Called you on the telephone
You sounded very far away
But baby I love you, I still love you, oh ah

Can't get to sleep tonight
No matter what I do
Just can't get you off of my mind
You know I'm stuck on you, stuck like glue

We both live separately
Found somebody new
And he's real, real good to me
But baby, I love you, I still love you, yeah

Can't get to sleep tonight
Can't get to sleep tonight

Don't want to believe, that it's over
I keep telling myself, one more time
So I lie awake with a heartache, you're always on my
mind
Haunting my memory, think about you all the time, oh
oh

Can't get to sleep tonight
No matter how I try
Just can't get you off of my mind
Sleep tonight

Spoke to you today
Called you on the telephone
You sounded very far away
But I love you, I still love, yeah

Can't get to sleep tonight
No matter what I do, what I do
It all keep coming back to you
Can't get you off of my mind, get to sleep tonight

Can't get to sleep tonight
No matter how I try, what I do
It all keep coming back to you

Can't get you off of my mind
You know I'm stuck like glue, stuck like glue
I'm stuck like glue to you

Can't get to sleep tonight
No matter how I try
Gotta get you off of my mind
Can't get to sleep tonight

No, I can't get to sleep tonight
Baby, can't get to sleep tonight
Honey, can't get to sleep tonight
