Christmas is here
Snowflakes filling the air
People rushing past every display
No time for napping
There's buying and then wrapping
The gifts to be given away
Sparkling lights
All the dazzling sights
Christmas trees loaded with joy
Hearts full of giving
Children are living
For what could be their favorite toy
Christmas is here
Christmas is here
It's a wonderful time of the year
Christmas is here
Christmas is here
It's a wonderful wonderful wonderful time of the year
Families together
No matter the weather
Feasting and fun is the goal
Grandma is making
Sugar cookies are baking
To warm up the body and soul
Full decoration
In anticipation of times
Marked with laughter and cheer
A day long awaited
And much celebrated
Christmas is finally here
Christmas is here
Christmas is here
It's a wonderful time of the year
Christmas is here oh
Christmas is here
It's a wonderful wonderful wonderful time of the year
A festive occasion
A welcome invasion
Of carolers filling the air
Songs of rejoicing
And everyone voicing
A story of hope we all share

Christmas is here
Christmas is here
It's a wonderful time of the year
Christmas is here
Christmas is here
It's a wonderful wonderful wonderful time of the year
Christmas is here
It's a wonderful wonderful wonderful time of the year
Christmas is finally here
