Dance into my life, only for a while  
Whirl me round and round  
Dance me like an Angel child

He's passing through my world  
He doesn't even know  
Time's not on my side  
No word or goodbye I'll go

So dance on  
Right now I want to dance on  
Until the moment's over  
And I'll be going home  
I'll be going home

Just dance on  
Right now I want to dance on  
I can't let him notice the  
Tears in my eyes  
In my eyes, in my eyes

Dance into my life  
Hold the moment fast  
Make believe in us  
Nothing real in life can last

Dance within my life  
Dance me to the door  
I can't see the time  
But the time has come for sure, for sure

So dance on  
Right now I want to dance on  
Until the moment's over  
And I'll be going home  
I'll be going home

Just dance on  
Right now I want to dance on  
I can't let him notice the  
Tears in my eyes  
In my eyes, in my eyes

Dance with me, dance with me  
Won't you dance with me  
Dance with me, dance with me  
Won't you dance with me

So dance on  
Right now I want to dance on  
Until the moment's over  
And I'll be going home  
I'll be going home

So dance on  
Right now I want to dance on  
Until the moment's over  
And I'll be going home  
I'll be going home

So dance on  
Right now I want to dance on  
Until the moment's over  
And I'll be going home  
I'll be going home
