Denver dream
Are you the one they call
The Denver dream
Colorado girl
Denver dream
Are you the one they call
The Denver dream
Colorado girl
Denver!
Denver!

You were just a young girl the
Well I know your story well
Your parents died and left you
Just a name and little else

You split from Colorado
You left without a word
I guess I should have hated you
But I loved you even more

Denver dream
So you're the one they called
Denver dream
Colorado girl
Denver dream
So you're the one they called
Denver dream
Colorado girl
Denver!
Denver!

Quite a change come over you
But then you're a woman now
See just how you earned your name
Your beauty conquered all

Denver dream I've missed you
It's been a long long time
Since the day we've been apart
You've been on my mind

Say you're not sure whom I am
Then cast your thoughts do Denver
'cause I'm the girl you left so lost
Yes I'm your little sister
I'm your sister!

Denver dream
So you're the one they called
Denver dream
Colorado girl
Denver dream
So you're the one they called
Denver dream
Colorado girl
Denver dream
So you're the one they called
Denver dream
Colorado girl
