You know baby, I'm so happy to be here with you  
tonight  
That I just want to let you know  
That I'd follow you to the end of the world  
Just to show you that I care  
And I want you to know that  
If you need me  
I'll always be there

Dancing close feeling restless, it's a slow sultry night  
It will be a life time til sunrise, if you don't stay with me  
tonight  
Feel your breath caress my shoulder as your heart  
frees my mind  
You don't have to tell me anything I can see everything  
in your eyes

It's so easy with you, I don't need an excuse to be the  
woman in me  
It's so hard to believe that I'm feelin so free to be the  
woman in me

Baby theres so much no man has ever touched of the  
woman in me  
But I love ya, baby...ahh

I might be tremblin but I'm not scared, just my desire  
breakin free  
I never had the chance like this before, to unlock all the  
doors to the  
woman in me

It's so easy with you, I don't need an excuse to be the  
woman in me  
It's so hard to believe that I'm feelin so free to be the  
woman in me  
Baby, theres so much no man has ever touched of the  
woman in me

Like the dark side of the full moon  
never shown  
what I'm showing to you

It's so easy with you  
I don't need an excuse  
to be the woman in me

It's so hard to believe  
That I'm feelin so free  
To be the woman in me

It's so easy with you  
to be the woman in me

It's so easy with you  
to be the woman in me

It's so easy with you  
to be the woman in me
