Dreamcatcher

Lay down my child  
And rest your head  
Gonna hang the dreamcatcher  
Right over your bed  
Lay down lay down  
My baby  
Don't be afraid  
Dreamcatcher's watching  
Gonna chase the bad dreams away

Dreamcatcher  
Dreamcatcher

I'm gonna watch you fly like a eagle  
Your dreams will take you far away  
Take you to a place that you cannot go  
When your eyes keep you awake  
Come on dreamcatcher  
Above your bed  
Dreamcatcher  
Chase those bad bad dreams away

Fly like an eagle  
Fly like the wind  
Let your dreams carry you over the earth  
And bring you back to bed again  
Dream  
Let those dreams come tonight  
When the baby lays his head down on the pillow  
Help him to see the light  
To see the light  
Dancing on his pillow  
Just dancing on his pillow

Dreamcatcher won't you catch those dreams  
Dreamcatcher won't you set them free  
Dreamcatcher won't you catch those dreams  
Dreamcatcher won't you set them free

Oh dreamcatcher  
Oh dreamcatcher  
Oh dreamcatcher

Set them free  
Set them free  
Set them free  
Set them free

Oh baby  
Light's dancing on your pillow  
Light's dancing on your pillow  
Light's dancing on your pillow  
Light's dancing on your pillow

Dreamcatcher  
Oh dreamcatcher oh  
Oh dreamcatcher oh  
Oh dreamcatcher oh  
Oh dreamcatcher oh

Won't you fly like an eagle  
Won't you fly like the wind  
Oh (?)  
Oh

Dreamcatcher won't you set them free  
Dreamcatcher won't you set them free  
Light's dancing on your pillow Light's dancing on your  
pillow (repeat and fade out)
