It's raining, it's pouring
My love life is boring me to tears
After all these years

No sunshine, no moonlight
No stardust, no sign of romance
We don't stand a chance

I always dreamed I'd find the perfect lover
But he turned out to be like every other man
I've loved, I've loved

Raining
(Raining)
Pouring
(Pouring)
There's nothing left for us here
And we won't waste another tear

Ahh
Yeah

If you've had enough, don't put up with his stuff
Don't you do it
Now if you've had your fill, get the check, pay the bill
You can do it

Tell him to just get out
Nothing left to talk about
Pack his raincoat, show him out
Just look him in the eye and simply shout

Enough is enough
I can't go on, I can't go on no more, no
Enough is enough
I want him out, I want him out that door now

I always dreamed I'd find the perfect lover
But he turned out to be like every other man
I've loved
(I had no choice from the start)
I've loved

I've loved
(I've gotta listen to my heart)
I've loved
(Tearing us apart)

Enough is enough is enough
I can't go on, I can't go on no more, no
Enough is enough is enough
I want him out, I want him out that door now

Goodbye mister
Goodbye
Goodbye mister
Goodbye sugar
No more tears

(No more tears)
No more tears
No more tears

I've had it, you've had it, he's had it
(No more tears)
(No more tears)
We've had it, he's had it, I've had it
(No more tears)
I've had it

Is enough
Is enough
Is enough
Is enough
Is enough
