"Forgive Me"

Every day I give you a reason to cry
I see the hurt in your eyes
But stronger yet
I see the love that shines
Help me learn to take on the nature of you
And love more than I accuse
And pardon others like you taught me to
'Cause something happens inside my heart
Lord, when I obey
Something happens inside my heart
Every time I pray
Forgive me
As I learn how to forgive
The ones who broke my heart
The way I've broken yours
Forgive me
As I learn how to forgive
And reach out through the pain
And touch with hands of grace
As you prayed for those who crucified you
"Forgive, they don't know what they do"
Compassion reached out to a world confused

Help me learn to bless those who persecute me
And pray for my enemies
And show them mercy like you've shown to me
'Cause something happens inside my heart
Lord, when I obey
Something happens inside my heart
Every time I pray
Forgive me
As I learn how to forgive
The ones who broke my heart
The way I've broken yours
Forgive me
As I learn how to forgive
And reach out through the pain
And touch with hands of grace
Forgive me
As I learn how to forgive
The ones who broke my heart
The way I've broken yours

Forgive me
As I learn how to forgive
And reach out through the pain
And touch with hands of grace
Forgive me
