"Get Ethnic"

Visit "[Get Ethnic](#)" on MotoLyrics.com

Lying here in the sun just trying to get a tan
Trying to find a look to go with the plan

Everybody's different, everybody's got their thing
Spin man give me a rhythm swing, swing
You don't have to dance alone
You get on the floor and make yourself at home
Do anything you want to do it's alright, it's all up to you

It doesn't matter what skin you're in
C'mon baby, let the groove begin
Get ethnic, all day
Get ethnic, all night

Gonna chill and ride the day out
People let me tell you what it's all about
Get ethnic, all day
Get ethnic, all night long

Walk my way
Talk my way

This is a new direction
We're gonna take it to the street
Spin man throw down a funky beat
Ooh, sweet

Don't really care where you come from
You may move to a different drum
Jump right in and take you place
We're all part of the human race

It doesn't matter what skin you're in
C'mon baby, let the groove begin
Get ethnic, all day
Get ethnic, all night

Gonna chill and ride the day out
People let me tell you what it's all about
Get ethnic, all day
Get ethnic, all night long

Like you mama do
And your daddy too
It's an attitude

It doesn't matter what skin you're in
C'mon baby, let the groove begin
Get ethnic, all day
Get ethnic, all night

Gonna chill and ride the day out
People let me tell you what it's all about
Get ethnic, all day
Get ethnic, all night long

It doesn't matter what skin you're in
C'mon baby, let the groove begin
Get ethnic, all day
Get ethnic, all night

Gonna chill and ride the day out
People let me tell you what it's all about
Get ethnic, all day
Get ethnic, all night long

Everybody's different
And we all have a song to sing
Spin man do your rhythm thing, swing, swing
Spin man do your rhythm thing, swing, swing

It doesn't matter what skin you're in
C'mon baby, let the groove begin
Get ethnic, all day
Get ethnic, all night

Gonna chill and ride the day out
People let me tell you what it's all about
Get ethnic, all day
Get ethnic, all night long

C'mon, c'mon baby
Smooth me out
Smooth me out
