Gloria, you're always on the run now
Running after somebody
You gotta get him somehow
I think you've got to slow down
Before you start to blow it
I think you're headed for a breakdown
So be careful not to show it

You really don't remember
Was it something that he said
Or the voices in your head calling Gloria
Gloria, don't you think you're falling
If everybody wants you why isn't anybody calling
You don't have to answer
Leave them hanging on the line
Oh, calling Gloria

Gloria, I think they got your number
I think they got the alias that you've been living under
But you really don't remember
Was it something that they said
Or the voices in your head calling Gloria

Aha, aha, Gloria, how's it gonna go down
Will you meet him on the main line
Or will you catch him on the rebound
Will you marry for the money
Take a lover in the afternoon
Feel your innocence slipping away
Don't believe it's coming back soon

And you really don't remember
Was it something that he said
Or the voices in your head calling Gloria
Gloria, I think they got your number
I think they got the alias that you've been living under
But you really don't remember
Was it something that they said
Or the voices in your head calling Gloria

Gloria, Gloria
Gloria, Gloria
