Happily ever after
look at me, right where I wanna be
my life took a turn, it's a happy affair
I'm never alone even when he's not
there
Happily ever after
so carefree, look what's come over
me
all my prayers have been answered
he heard me cry
he took all my troubles and threw
them aside
Happily ever after
him and me, sunshine and laughter
we're never alone when there's
nobody there
we're never alone we got loving to
share
