Baby please
please don't take your love from me

I am yours for evermore
till eternity
silently
listen to the words I say
I'm not talking just for play
listen to me please.

Heaven knows
it's not the way it should be and
heaven knows
it's not the way it could be
don't you know
there's no need to leave
heaven knows
I never wanna leave you
heaven knows
I only wanna please you
don't you know
love is what I need.

Now down inside
don't get caught with foolish pride
loving all the things aside
only you and me.
Believe in us
we were always meant to be
me for you and you for me
till eternity.
Heaven knows
it's not the way it should be and
...

Heaven knows
it's not the way it should be and
heaven knows
it's not the way it could be
don't you know
there's no need to leave
heaven knows

only wanna love you and
heaven knows
I never wanna loose you
don't you know
love is meant to be.

Heaven knows
it's not the way it should be
and it's don't you stop
stop with to pretending
come on top
and hear me when I cry.
ht

please don't talk about sweet love

please
