He's a rebel and you may not like his  
Looks or his style  
Be he's faster than light and he  
Can walk a miracle mile  
He'll point you out and he'll pull you in  
I guarantee he'll be your best friend

He's a rebel and he's gonna be good  
Anyhow  
And the boys in the group they just  
Want to drag him way down  
He's so straight ahead, he'll blow  
Your mind  
He can be strong and yet so kind

What you see is what you get  
And what you get you won't regret  
'cause he's on the line  
What you want is what he's got and  
What he's got, he's got a lot  
'cause it's allright  
It's allright

Ooh he's a rebel, written up in the  
Lamb's book of life  
And there'll be no escape because  
The stage has been set for a while  
If he comes your way, he'll make you  
Surrender  
His story's clear and his voice  
So tender

What you see is what you get  
And what you get you won't regret  
'cause he's on the line  
What you want is what he's got and  
What he's got, he's got a lot  
'cause it's allright  
It's allright

If he comes your way he'll make you  
Surrender

His words are clear and his  
Love's forever

He's a rebel and he doesn't conform  
That's for sure  
Society rules and it's fallin' right  
Down to the core  
He'll love you like you've never been  
Loved before  
He always leaves you wanting  
Him more

He's a rebel  
See that rebel  
Yeah, that's a rebel  
That's a rebel  
He's a rebel  
See that rebel  
There's the rebel  
There's the rebel
