First i was afraid i was petrified kept
think how i'm going to live without you by my side?
But, then i spend so many nights just thinking how you
did me wrong but i grew strong and i learned how to
get along
and now you back from outer space
don't turn around ,
cause your not welcome any more,
weren't you the one who tried
to hurt me with goodbye
you'd think i'd crumble you'd think i'd lay down and die
now go now go , walk out the door
don't turn around now cause your not welcome
anymore
weren't you the one who tried to hurt me with goodbye
you'd think i'd crumble you'd think i'd lay down and die
oh no not i
i will survive
oh as long as i know how to love i'll know i'll stay alive
i 've got all my life to live i've got all my love to give i
will survive
i will survive hey hey hey
