LA VIE EN ROSE

I thought that love was just a word  
sung about in songs I heard  
feelings could reveal that I was wrong  
and it was real

Hold me close and hold me fast  
the magic spell you cast  
this is la vie en rose  
when you kiss me heaven sighs  
and tho I close my eyes  
I see la vie en rose

When you press me to your heart  
I'm in a world apart  
a world where roses bloom  
and when you speak, angels sing from above  
everyday words seem to turn into love songs  
give your heart and soul to me  
and life will always be  
la vie en rose
