Well I seem him every morning in the schoolyard  
'Fore the school bell rings  
And when he passes in the hallway  
Well he doesn't seem to notice me

He's got a crush on my best friend, but she don't care  
'Cause she loves someone else  
I'm standing on the outside  
Not the inside where I wanna be

Love's unkind, love's unkind  
Love's unkind, love's unkind  
'Cause he's not mine

Just the other day I was praying  
He would give me a chance  
Hoping he would choose me for his partner  
For the high school dance

I was standing outside the class  
But it wasn't me, but my best friend, he asked  
I went running back inside teary-eyed  
And left the two of them behind

Love's unkind, love's unkind  
Love's unkind, love's unkind  
'Cause he's not mine

Oh I love him so  
I can't even let him know  
'Cause he loves my best friend  
But she don't care, she loves someone else

And I asked my mama and she said  
"Love's unkind, love's so unkind"  
She said, "Just keep it mind  
'Cause you may find love's unkind"

Love's unkind, love's unkind  
Love's unkind, love's unkind

Why does he like to leave so

Why do I have to love him so
