Spring was never waiting for us 'til it ran one step  
ahead  
As we followed in the dance

MacArthur's park is melting in the dark  
All the sweet green icing flowing down  
Someone left the cake out in the rain  
I don't think that I can take it 'cause it took so long to  
bake it  
And I'll never have that recipe again, oh, no

I recall the yellow cotton dress foaming like a wave  
On the ground beneath your knees  
Birds like tender babies in your hands  
And the old men playing Chinese checkers by the trees

MacArthur's park is melting in the dark  
All the sweet green icing flowing down  
Someone left the cake out in the rain  
I don't think that I can take it 'cause it took so long to  
bake it  
And I'll never have that recipe again, oh, no

MacArthur's park is melting in the dark  
All the sweet green icing flowing down  
Someone left my cake out in the rain  
I don't think that I can take it 'cause it took so long to  
bake it  
And I'll never have that recipe again, oh, no
