I always
Stayed away from love
Afraid of what might
Might happen
Till i thought
I heard a sound above
Singing through my very
Own heart
Was a melody
I never heard
Like birds singing loud
To the sky

Never dreamed that
True love would help me
Find my way
Didn't know how deep i'd fallen
Until you rescued, rescued me
Suddenly
Strings began
I heard the melody again and again
The sound of music
Flowing through my head
So rare
I'm walking on air

Melody of love
Sing that song for me yeah
I want to hear somebody sing
Melody of love
Oh take me away

One lonely night
You up and dance into my dreams
Baby you set my heart on fire
So i've been burning
Burning ever since yeah
Suddenly
Strings began
I hear the melody again and again
The sounds of trumpets
Flowing through my head

So rare i'm walking on air

Melody of love
Sing that song for me yeah
I want to hear somebody sing
Melody of love
Oh take me away
Melody of love
Oh set me free yeah
I want to hear somebody sing
Melody of love
Oh take me away

Oh melody
Oh melody
I can really feel it
You can feel it, too
Oh melody
Oh melody

Melody of love
Sing that song for me yeah
I want to hear somebody sing
Melody of love
Oh take me away
Melody of love
Oh set me free yeah
I want to hear somebody sing
Melody of love
Oh take me away
